

18TH WORLD LAKE CONFERENCE

Governance, Resilience and Sustainability of Lakes for a Better Society

November
9th-11th, 2021

The 11th Ibaraki Kasumigaura Prize

First Screening Result

Thank you for many entries to the 11th Ibaraki Kasumigaura Prize.

The Kasumigaura Prize Committee in Ibaraki Prefecture, Japan, is pleased to announce that five excellent papers have been shortlisted after a rigorous review process for submission to the finalization process of two prospective prize awardees.

Hereby, we would like to make special recognition of the five candidates and their respective paper titles. All five shortlisted candidates will be so recognized also in the Proceedings to be published after the Conference.

The shortlisted candidates will be contacted individually by the Ibaraki Prefectural Government.
